

# Blood Song (Thank You for the Blood) [Live]

## Gates Praise

(First Verse)

Lord your blood saved me  
From the wage of sin  
Oh, it washed me cleaned  
Now I can stand, I'm free

Now I have a reason to sing  
and I have a reason to worship  
I will call out to your name  
To the ends of the earth  
I'll declare it

You have cancelled my sentence of death  
You have  
You have cancelled my sentence of death  
You have yeah

Lord your blood saved me  
From the wage of sin  
Oh, it washed me cleaned  
Now I can stand, I'm free

Now I have a reason to sing  
and I have a reason to worship  
I will call out to your name  
To the ends of the earth  
I'll declare it

You have cancelled my sentence of death  
You have  
You have cancelled my sentence of death

(Chorus)

Thank you for the blood  
That saves, that heals, and delivers me (2x)

Sing thank you for...

Thank you for the blood!

(Second verse)

Lord your love saved me  
When I could not break free  
You never gave up, when I was in pain  
You broke my chains, covered my shame

Now I have a reason to sing  
and I have a reason to worship  
I will call out to your name  
To the ends of the earth  
I'll declare it

You have cancelled my sentence of death  
You have  
You have cancelled my sentence of death

(Chorus)

Sing thank you for...  
Thank you for the blood  
That saves, and heals, and delivers me (2x)

Sing thank you for...  
Thank you for the blood!

Woa woa woa woa

You have cancelled my sentence of death  
And I am free  
You have cancelled my sentence of death  
I am free

Sing....  
Thank you for the blood  
That saves, and heals, and delivers me

Sing thank you for...  
Thank you for the blood  
That saves, and heals, and delivers me

Say Thank you...

Thank you for your blood
