

Ignorance (Dougie Poynter)

McFly

Im too far gone
Its all over now
And you cant bring me down.Love is won over by ignorance
Do not get won over by ignorance
These pills were meant to hurt you
For today and ever more
If fools were meant to fuck you
Then why do fools fall in love?
I've blown up your walls again
Your lies are all apart of your intellect
These pills were meant to hurt you
For today and ever more
If fools were meant to fuck you
Then why do fools fall in love?In the story I was told,
Well this was never mentioned,
Must have missed a chapter when,
I was 17 years old,
And theres nothing left but lossAn unfortunate consequence,
And youll burn in hell when you fall against,
These pills were meant to hurt you
For today and ever more
If fools were meant to fuck you
Then why do fools fall in love?In the story I was told
This was never mentioned,
Must have missed a chapter when,
I was 17 years old,
And theres nothing left but...They won't let it go,
When you see them coming,
Please let me know.They won't let go,
When you see them coming,
Please let me know.They won't let go,
When you hear them coming,
Please let me know.They won't let go,
When you hear them coming,
Please let me know.Im too far gone
Its all over
And you cant bring me downDont say your never gonna leave me
Down
(But Say You're Never Gonna Leave Me)Dont say your never gonna leave me

Down

(Do not get won over by ignorance)Dont say your never gonna leave me

DownDont say your never gonna leave me

Down
