

# Well Enough Alone

**Dan Baird, Homemade Sin**

Walk down the realm  
Hint to no one that this  
Generic bond exists  
Evil shows another side And like before, makes no sense  
Never coming, always leaving  
Right before hooked on substance  
Dig in deeper, can't reveal Why we leave?  
Well enough alone  
Never thought about the shame So fed up, what's with the scenes?  
Observe and leave instead  
This pity wagon penetrates my skin  
So sensitive, makes me sick And like before, makes no sense  
Never coming, always leaving  
Right before hooked on substance  
Dig in deeper, can't reveal Why we leave?  
Well enough alone  
Never thought about the shame The old and the aged  
Pulled, never knew what hit  
The old and the aged  
Pulled, never knew what hit And like before, makes no sense  
Never coming, always leaving  
Right before hooked on substance  
Dig in deeper, can't reveal Why we leave?  
Well enough alone  
Never thought about the shame Why we leave?  
Well enough alone  
Never thought about the shame
