

# Hooligan

## Big H

Don't try to beat 'em up  
Just call them all aboard  
'Cause when your bark is gone  
You're gonna take 'em all head on  
Your faith is running low  
It's too bad you'll never know  
But don't be a fool again  
'Cause they're just hooligans  
Don't try and save them all  
Just try and break their fall  
You want to live among  
So don't try and right their wrongs  
Bad news is twice around the world  
When good is found  
So don't be a fool again  
They're just a bunch of hooligans  
Don't try and lead the race  
Like it's a life you saved  
'Cause you're all in my face  
Like you're from outer space  
And though you make 'em laugh  
You won't beat the smile you have  
So don't be a fool again  
They're just a bunch of hooligans  
Yeah yeah yeah  
Yeah yeah yeah  
So don't be a fool again  
Don't be a hooligan  
You've tried your best to win  
Now get on board your wings  
Don't think of paying back  
Just keep your soul intact  
Don't be a fool again  
They're just a bunch of hooligans  
Yeah yeah yeah  
Yeah yeah yeah  
Don't be a fool again  
They're just a bunch of hooligans  
Don't be a fool again  
They're just a bunch of hooligans  
Don't be a fool again  
They're just a bunch of hooligans  
Don't be a fool again  
They're just a bunch of hooligans
