

# Took My Place

## Third Day

Lost like a little child  
Helpless as a baby  
Searchin' desperately to find  
Someone who could save me  
Then along came from out of nowhere  
Precious as the light of day  
You gave me something no one could take  
Away  
When you took my place  
Chained like a prisoner  
From the day I was born  
Blamed like a criminal  
For the things that I'd done  
Then along came from out of nowhere  
Precious as the light of day  
You gave me something no one could take  
Away  
When you took my place
