

# Tomorrow Is Yesterday

## Powerman 5000

Let yourself be tomorrow  
Tomorrow is yesterday  
So show me the way to get out of this world  
Ill be the one that fades away right You give it, you give it  
You get it, you get it  
You give it, you give it  
And then they take it away  
You give it and they take it away  
You get it and they take it away Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
Ill be the one that fades away Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
Ill be the one that fades away right You see it, you see it  
You take it, you take it  
You see it, you see it  
And then they steal it away  
Dont you realize that you cant win  
'Cause the place you begin  
Is the place you must end Right, yeah, yeah, yeah  
Right, right, right, right Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
Ill be the one that fades away Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
Ill be the one that fades away Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
Ill be the one that fades away yeah! You give it, you give it  
You get it, you get it  
You give it, you give it  
And then they take it away  
Dont you realize that you cant win  
'Cause the place you begin  
Is the place you must end Right, yeah, yeah, yeah  
Right, right, right, right  
Right, right, right
