

Forever

Papa Roach

In the brightest hour of my darkest day
I realized what is wrong with me
Cant get over you, cant get through to you
Its been a helter skelter romance from the start
Take these memories that are haunting me
Of a paper man cut into shreds
By his own pair of scissors
He'll never forgive her, he'll never forgive her
Because days come and go
But my feelings for you are forever
Because days come and go
But my feelings for you are forever
Sitting by a fire, on a lonely night
Hanging over from another good time
With another girl, little dirty girl
You should listen to this story of a life
Youre my ***, in this moment, Im lonely
Fulfilling my darkest dreams
All these ***, all these women
Im never forgiving this broken heart of mine
Because days come and go
But my feelings for you are forever
Because days come and go
But my feelings for you are forever
One last kiss before I go
Dry your tears, it is time to let you go
One last kiss before I go
Dry your tears, it is time to let you go
Because days come and go
But my feelings for you are forever
Because days come and go
But my feelings for you are forever
One last kiss before I go
Dry your tears, it is time to let you go
One last kiss before I go
Dry your tears, it is time to let you go
One last kiss
