## **Forever**

## Papa Roach

In the brightest hour of my darkest day
I realized what is wrong with me
Cant get over you, cant get through to you

Its been a helter skelter romance from the startTake these memories that are haunting me

Of a paper man cut into shreds

By his own pair of scissors

He'll never forgive her, he'll never forgive herBecause days come and go

But my feelings for you are forever

Because days come and go

But my feelings for you are foreverSitting by a fire, on a lonely night

Hanging over from another good time

With another girl, little dirty girl

You should listen to this story of a lifeYoure my \*\*\*, in this moment, Im lonely

Fulfilling my darkest dreams

All these \*\*\*, all these women

Im never forgiving this broken heart of mineBecause days come and go

But my feelings for you are forever

Because days come and go

But my feelings for you are foreverOne last kiss before I go

Dry your tears, it is time to let you go

One last kiss before I go

Dry your tears, it is time to let you goBecause days come and go

But my feelings for you are forever

Because days come and go

But my feelings for you are foreverOne last kiss before I go

Dry your tears, it is time to let you go

One last kiss before I go

Dry your tears, it is time to let you go

One last kiss
