Nervous Breakdown

Shimmering Stars

please medicate my mind
it's really gone this time
though i feel alright
there's nothing left to hide
everything that I do betrays the nervous wreck inside
headed for a nervous breakdown
I can't stay gonna leave this town behind
though I could escape this place
I can't escape my mind
friend I apologize if I don't return your call
it's not that I'm somewhere else
it's that i'm really not here at all
headed for a nervous breakdown...
all of my anxieties
will be there waiting just for me
I can't see the poin tin trying to run
from what's inside of me.
