

Song Sung Blue

Neil Diamond

Song sung blue
Everybody knows one
Song sung blue
Every garden grows one
Me and you are subject to the blues now and then
But when you take the blues and make a song
You sing them out again
Sing them out again
Song sung blue
Weeping like a willow
Song sung blue
Sleeping on my pillow
Funny thing, but you can sing it with a cry in your voice
And before you know, start to feeling good
You simply got no choice
Song sung blue
Everybody knows one
Song sung blue
Every garden grows one
