## Band of Skulls

Advisory - the following lyrics contain explicit language:

There's one for the sorrow  
And two for the joy  
And three for the girls  
And four for the boys There's five for the silver  
And six for the gold  
And seven for the secrets  
That are never to be told There's eight in the river  
And nine in my head  
And ten of the worst kind  
Sleeping in my bed There's a pattern, there's a pattern  
There's a pattern there to followed  
A pattern, there's a pattern  
There's a pattern there to followed Oh, oh, oh, to follow  
Oh, oh, oh, to follow There's one for the money  
And two for the sin  
And three for the tongue  
When authority kicks in There's four for the reason  
And five for the tricks  
But nothing's going to save you  
From the sex, sex, sex There's seven for the days  
And seven for the nights  
And seven for the heavens  
And the tunnel and the lights There's a pattern, there's a pattern  
There's a pattern there to followed  
A pattern, there's a pattern  
There's a pattern there to followed Oh, oh, oh, to follow  
Oh, oh, oh, to follow  
(To follow, to follow, to follow) Oh, oh, oh, to follow  
Oh, oh, oh, to follow
