

# How Long Have You Been Stoned

## Over the Rhine

What's it like to be the only somebody in the room  
Tell us all what does it cost you to be you  
Takin' out Daddy's trash, now ain't it a drag  
Trippin' on Papa's brand new body bagHow long have you been stoned?  
How long have you been stoned?  
How long have you been stoned?  
Places  
Everybody places  
Embrace it  
It's the way it has to beWasted  
Is everybody wasted  
Complacent  
Is anybody free
