Love Never Fails

Jim Brickman

Love, love is patient, love is kind
Love, does not worry, does not boast
It is not proud, it is not rude, it is not easily angered
Love keeps no record of wrongs
Love never fails, never fails
I promise you, my love will never fail
And I will give to you
Faith, hope and love
Love does not delight in evil
Love will always protect
Always trust and always hope and it will persevere
Love rejoices in truth

Love never fails, never fails
I promise you, my love will never fail
And I will give to you
Faith, hope and love
Love never fails, never fails
I promise you, my love will never fail
And I will give to you
Faith, hope and love
But the greatest of these is love
I'll give you love
