

Naked Pic

Alus

When I step in the frame I might zoom
only got one thing on, my perfume
feels so good I leave the flash on
yea I be making love, just to my cameraOuh my hourglass in 360 degrees
saving up a selection just for you and meI be in the gym all day
working up a sweat
now I'm in nothing but my birthday suit
time to celebrateI'ma send it
I'ma send a Naked PicSnapping all different angles
Might even post a teaser up
Ya catching feelings what have I done?
Nothing like a naked pic to make you fall in loveOuh this silhouette all up in my cell
forget about your digits
I'll send em to myselfI be in the gym all day
working up a sweat
now I'm in nothing but my birthday suit
time to celebrateI'ma send it
I'ma send a Naked PicNot into words but I'll give you some thoughts
I'ma send a naked picture to remind you what I got
You can't get enough, is this making us closer?
If I send you anymore, your data's going overI'ma send it
I'ma send a Naked Pic
