

Miracles Out of Nowhere

Kansas

On a crystal morning I can see the dewdrops falling
Down from a gleaming heaven, I can hear the voices call
When you comin' home now, son, the world is not for you
Tell me what's your point of view Hey there Mister Madman, what'cha know that I don't know
Tell me some crazy stories, let me know who runs this show
Glassy-eyed and laughing, he turns and walks away
Tell me what made you that way Here I am just waiting for a sign
Asking questions, learning all the time
It's always here, it's always there
It's just love, and miracles out of nowhere Tell me now dear mother, what's it like to be so old
Children grown and leavin', seems the world is growin' cold
And though your body's ailin' you
Your mind is just like new
Tell me where you're goin' to Here I am just waiting for a sign
Asking questions, learning all the time
It's always here, it's always there
It's just love, and miralces out of nowhere It's so simple right before your eyes
If you'll look through this disguise
It's always here, it's always there
It's just love and miracles out of nowhere I sang this song a hundred, maybe a thousand years ago
No one ever listens, I just play and then I go
Off into the sunset like the western heroes do
Tell me what you're gonna do Here I am, I'm sure to see a sign
All my life I knew that it was mine
It's always here, it's always there
It's just love and miracles out of nowhere
