

# Miracles Out of Nowhere

## Kansas

On a crystal morning I can see the dewdrops falling  
Down from a gleaming heaven, I can hear the voices call  
When you comin' home now, son, the world is not for you  
Tell me what's your point of view Hey there Mister Madman, what'cha know that I don't know  
Tell me some crazy stories, let me know who runs this show  
Glassy-eyed and laughing, he turns and walks away  
Tell me what made you that way Here I am just waiting for a sign  
Asking questions, learning all the time  
It's always here, it's always there  
It's just love, and miracles out of nowhere Tell me now dear mother, what's it like to be so old  
Children grown and leavin', seems the world is growin' cold  
And though your body's ailin' you  
Your mind is just like new  
Tell me where you're goin' to Here I am just waiting for a sign  
Asking questions, learning all the time  
It's always here, it's always there  
It's just love, and miralces out of nowhere It's so simple right before your eyes  
If you'll look through this disguise  
It's always here, it's always there  
It's just love and miracles out of nowhere I sang this song a hundred, maybe a thousand years ago  
No one ever listens, I just play and then I go  
Off into the sunset like the western heroes do  
Tell me what you're gonna do Here I am, I'm sure to see a sign  
All my life I knew that it was mine  
It's always here, it's always there  
It's just love and miracles out of nowhere
