# No More

## Black Flag

No, I won't believe that this is all
I'm not happy, I'm not free
Pay check to pay check,
Living for what
Every night I get drunk to ger sunkI need action, won't take no more,
No more, no more, no more
It won't work, won't work
No moreI knew what I had when I grew up
I know that it really sucked
Now I'm a slave to the same lies
If I don't get out I'm gonna die
I need action, won't take no more,
No more, no more, no more
It won't work, won't work
No moreControl, control for who,
For what?
I'm no robot, they can get fucked
Reaction's masochism this can't last
I need to live, I need it nowI need action, won't take no more,
No more, no more, no more
It won't work, won't work
No more
