Swans

I give you money,
You're superior.
I don't exist:
You control me.
You're corrupt,
You're deformed,
You're corrupt:
You control me.
Own me, own me,
Own me, own me,
I'm your property...
You're corrupt,
You're deformed.
You corrupt,
You deform me.
Own me, own me,
Own me, own me:
I'm your property.
