We're Makin' Up

Hot Apple Pie

There's a rumor goin' round that it looks like splittsville between us
But all of that talk's just talk, so don't you believe it
'Cause I got a call from my baby and she was all, guess what?
We're makin' up, our on again off again is on again
We're makin' up, she really wants to make it work
I'm still so in love with her
Forget about everything you heard, we're makin' up
Well I'm the first to admit that the road's been a little bit bumpy
But don't you think for a moment that she don't love me
Take your nosey little nose and get a whiff of these roses
On the seat of my truck
We're makin' up, our on again off again is on again
We're makin' up, she really wants to make it work
I'm still so in love with her
Forget about everything you heard
Yeah we argue a little too much
Maybe we broke up more than once
Ah but this is the part I love
We're makin' up, our on again off again is on again
We're makin' up, she really wants to make it work
I'm still so in love with her
Forget about everything you heard, we're makin' up
Our on again off again is on again
We're makin' up, she really wants to make it work
I'm still so in love with her
Forget about everything you heard, we're makin' up
We're makin' up, our on again off again is on again
We're makin' up, we're makin' up
