

Let Me Go (feat. Chad Kroeger of Nickelback)

Avril Lavigne

Love that once hung on the wall
Used to mean something, but now it means nothing
The echoes are gone in the hall
But I still remember, the pain of December
Oh, there isn't one thing left you could say
I'm sorry it's too late
I'm breaking free from these memories
Gotta let it go, just let it go
I've said goodbye
Set it all on fire
Gotta let it go, just let it go
You came back to find I was gone
And that place is empty, like the hole that was left in me
Like we were nothing at all
It's not that you meant to me
Thought we were meant to be
Oh, there isn't one thing left you could say
I'm sorry it's too late
I'm breaking free from these memories
Gotta let it go, just let it go
I've said goodbye
Set it all on fire
Gotta let it go, just let it go
I let it go, and now I know
A brand new life, down this road
Where it's right, you always know
So this time, I won't let go
There's only one thing left here to say
Love's never too late
I've broken free from these memories
I've let it go, I've let it go
And two goodbyes, lend you this new life
Don't let me go, don't let me go
Don't let me go, don't let me go, don't let me go
Won't let you go, don't let me
go
Won't let you go, don't let me go
Won't let you go, don't let me go
Won't let you go, don't let me go
