

I Think It's Going to Rain Today

Peter Gabriel

Broken windows and empty hallways
A pale dead moon in a sky streaked with gray
Human kindness is overflowing
And I think it's going to rain today Scarecrows dressed in the latest styles
With frozen smiles to keep love away
Human kindness overflowing
And I think it's going to rain today Lonely, lonely
Tin can at my feet
I think I'll kick it down the street
That's the way to treat a friend Bright before me the signs implore me
Help the needy and show them the way
Human kindness is overflowing
And I think it's going to rain today
