Vampire

The Bluetones

You left me unguided
You left me divided with room to complain
So I'll say in this song, the wait is too long
I thought I had seen it, I thought I had learned
There's something around each corner I turn
Can't stay still forever, got to get it together
If you'd seen with these eyes and lived with these lies

I thought about father and I thought about here
And I knew that this wasn't for me
Now the beast can subside, a boy needn't hide
Oh, if you'd seen with these eyes

Never dares to sow, on and on she goes
Knowing what she knows Ã¢?? nothing
Major's whipping boy, facing one old toy
Distance through the void Ã¢?? nothing
