

# Foolish (Crown Duels UKG remix)

Ashanti

See my days are cold without you  
But I'm hurtin' while I'm with you  
And though my heart can't take no more  
I keep on running back to you  
See my days are cold without you  
But I'm hurtin' while I'm with you  
And though my heart can't take no more  
I keep on running back to you Baby I don't know why ya treat me so bad  
You said you loved me, no one above me  
And I was all you had  
And though my heart is beating for ya  
I can't stop crying  
I don't know how  
I allow you to treat me this way and still I stay See my days are cold without you  
But I'm hurtin' while I'm with you  
And though my heart can't take no more  
I keep on running back to you  
See my days are cold without you  
But I'm hurtin while I'm with you  
And though my heart can't take no more  
I keep on running back to you Baby I don't know why ya wanna do me wrong  
See when I'm home, I'm all alone  
And you are always gone  
And boy, you know I really love you  
I can't deny  
I can't see how you could bring me to so many tears  
After all these years See my days are cold without you  
But I'm hurtin' while I'm with you  
And though my heart can't take no more  
I keep on running back to you  
See my days are cold without you  
But I'm hurtin' while I'm with you  
And though my heart can't take no more  
I keep on running back to you  
Oohhhhh  
I trusted you, I trusted you  
So sad, so sad  
What love will make you do  
All the things that we accept

Be the things that we regret  
Too all of my ladies (ladies) feel me  
C'mon sing wit me  
See, when I get the strength to leave you  
Always tell me that you need me  
And I'm weak cause I believe you  
And I'm mad because I love you  
So I stop and think that may be  
You can learn to appreciate me  
Then it all remains the same that  
You ain't never gonna change  
(never gonna change, never gonna change)  
See my days are cold without you  
But I'm hurtin' while I'm with you  
And though my heart can't take no more  
I keep on running back to you  
See my days are cold without you  
But I'm hurtin' while I'm with you  
And though my heart can't take no more  
I keep on running back to you Baby why you hurt me leave me and desert me  
Boy I gave you all my heart  
And all you did was tear it up  
Looking out my window  
Knowing that I should go  
Even when I pack my bags  
See something always hold me back
