

Unpredictable

[GG Allin](#)

I'll tell you a story, what happened a long time-a
And it won't happen any more, more, more, more, more, more
You tell that girl everything that you wanted to
And then she wanted a little bit more, more, more, more, more, more[Chorus]
Girls, girls are, they are so unpredictable
You can't believe what they tell you
Unpredictable, you gotta throw it away
Girls are so unpredictable, bull, bull, bull, bull, bull You tell that girl everything that you wanted to
And then she wanted a little bit more, more, more, more, more, more
You tell her you don't want to see her pretty little face again, so
You don't go knocking at my door, door, door, door, door, door[Chorus] You tell that girl everything that you
wanted to
And then she wanted a little bit more, more, more, more, more, more
You tell her you don't want to see her pretty little face again, so
You don't go knocking at my door, door, door, door, door, door[Chorus]
