

She Swallowed It

N.w.a.

Lesson 2 : Gently place the balls into the mouth and ..

HAMMMMMMMMMMMMMMMMMMM..

get it all baby ..

get it all baby ..

get it all baby ..

"what you want me to do with it?"

don't matter just don't bite it

she swallowed it ..

suck this dick for daddy

she swallowed it ..

usin' that lips

she swallowed it ..

it's the world's biggest dick

"what do you want me to do with it?"

don't matter just don't bite it

Slow is the tempo

Now talkin' but an info

So peep it up here goes the info

This is the bitches and the ho's crew

She get it as much we make bets on who's the ho's we'd love to go through

And for the shit that she does give her a drum role

Because the dumb bitch licks out the asshole

And a list of videotaper

And if you got a gang of niggaz, the bitch would let you rape her

She likes suckin' on dicks, and lickin' up nutz

And she'll even take de broomstick at the butt

Just to say that she did it with a rapper

But the pussy was more fishy than red snapper

"But how many licks would it take" She ax's

"To make MC Ren start gooshin' up vanilla shake"

She took her tongue out her mouth, put it on top

Like a cherry, started movin' it like a snake and it was very Irresistable

I could'nt pay the bitch to quit

'cause the ho' was doin' some ole' crazy shit

That made me start havin' a fit'

'cause the bitch sucks de hellified dick .. [suck this dick]

"It's the world's biggest dick"

Don't matter just don't bite it

"It's the world's biggest dick"

Don't matter just don't bite it
"What do you want me to do with it?"
Don't matter just don't bite it
She swallowed it .. Get it all baby!
Now one night night I was at a drive-in
And a car full of niggaz straight drove in
I thought they wuz commin' to start trouble but no
Five niggaz in the back it was de neighborhood ho'
Now what do you expect they're gonna dogg her like a doggy
Thirty minutes later and the windowz all were foggy
And I'm off in my car havin' a fit' 'cause de bitch that I'm with
Sayz no fuckin' on the 1st date shit
Now I'm like - Damn! I wish I was in the bucket
To be with 6 niggaz with the ho' and I can fuck it
So I told de ho' I was with that I'm goin' to de snack bar -

And got de fuck out de car.
Went to the bucket and I looked through the window
It was some niggaz that I knew they let me in yo
And my turn was like next
I could'nt see a face, all I saw was de pussy and the chest
I wanted to see the face, I felt the order
Peep over the seat - OH SHIT! it's the preacher's daughter!
And she's only 14 and a ho'
But the bitch sucks dick like a specialized pro
She looked at me, I was surprised
But was it passin' up the chance of my dick gettin' baptised
I told the bitch to do it quick :
"You little ho' hurry up and suck my dick!"
"It's the world's biggest dick"
Don't matter just don't bite it
"It's the world's biggest dick"
Don't matter just don't bite it
"What do you want me to do with it?"
Don't matter just don't bite it
She swallowed it .. Get it all baby!
Now I'm a break it down with a fact -
Since the last "Just don't bite it" girls don't know how to act
Sayin' that they never would suck a dick
But when they've tried it they could'nt quit
'cause not even bustin' the bitches today they love the shit
And those are the main one's that say they don't do it
But MC Ren knowz the bitches are used to it
So fellows, next time they try to tell a lie
That they never suck a dick punch the bitch in the eye

And then the ho' will fall to the ground
Then you'll open up her mouth -
Put your dick in and move the shit around
And she'll catch on and start doin' it on her own
Actin' like she's tryin' to suck a meet off a chicken bone
And then she won't let go
Because bitches suck nutt out of a dick just like drain-o
Get the last drop, unclog the pipe
Then the stupid bitch is at that with the same shit the next night
Because she just can't quit
'cause she's addicted, addicted, addicted, addicted
she's addicted, addicted, she's addicted to suck a good dick
"It's the world's biggest dick"
Don't matter just don't bite it
"It's the world's biggest dick"
Don't matter just don't bite it
"What do you want me to do with it?"
Don't matter just don't bite it
She swallowed it .. Get it all baby!
"It's the world's biggest dick"
Don't matter just don't bite it
"It's the world's biggest dick"
Don't matter just don't bite it
"What do you want me to do with it?"
Don't matter just don't bite it
She swallowed it .. Get it all baby!
