

# Have a Little Faith In Me

## The BellRays

I fell upon a dream last night  
We were together  
Hey baby, have a little faith in me

I swore that we would get out alive  
I wouldn't surrender  
Hey baby, have a little faith in me

They say that time, that time  
It knows where weâ€™re going, I wish that time  
Oh, I wish that time would stop right here

Youâ€™re afraid to lose your love  
I donâ€™t blame you  
Hey baby, have a little faith in me  
Why don't you have a little faith, now, baby? Hey

Oh, they say that time, they say that time  
It knows where weâ€™re going, I wish that time  
Oh, I wish that time would stop right here

Oh, youâ€™re afraid to lose your love  
Oh, I wonâ€™t let anything harm you  
Hey baby, have a little faith in me  
I said now, baby, yeah, have a little faith in me

Oh, a little faith in me, yeah  
Oh, a little faith, now  
Have a little faith, now, baby in me
