

# Desperate Times, Desperate Measures

## Underoath

Ive been crawling around  
In the dark for a while  
Sprawled out across the floor  
Not collecting dust anymore  
Define me a parasite, define my host Trapped beneath the floor  
I slowly waste away  
Now I pull my frail body into the chair  
And look me in the face Oh, disappointments, so disappointing  
This may be my last one  
Its gonna be good and hard  
It might be a touch out of key  
A touch out of key When this thing breaks  
I will be you, you will be me  
Im afraid that this is really happening  
When this thing breaks  
I will be you, you will be me Lets hope this is short lived  
And riddled with dizzy Oh God, the noise is ringing in my ear  
Its so unclear, so unclear  
I hear them talking  
But cant make out the words  
Speak up, speak clear I hear them talking  
But cant make out the words  
Speak up, speak clear God, where have I been?  
Im a terrible company  
With zero apologies  
My God, where have I been?  
Where have I been? While I sink to the bottom  
Ill sing out as it fills with water  
I hope Ive done enough When this thing breaks  
I will be you, you will be me  
Lets hope this is short lived  
And riddled with dizzy When this thing breaks  
I will be you, you will be me  
Im afraid that this is really happening Im worn out  
Im worn thin  
I will never break through Im worn out  
(Where have I been?)  
Im worn thin  
(Where have I been?)

I will never break through  
(Where have I been?)Let me out  
Let me out  
Let me out
