Snap Out Of It

Arctic Monkeys

What's been happening in your world?
What have you been up to?
I heard that you fell in love, or near enough
I gotta tell you the truthI wanna grab both your shoulders and shake, baby
Snap out of it
I get the feeling I left it too late, but baby
Snap out of it
If that watch don't continue to swing
Or the fat lady fancies having a sing
I'll be here waiting ever so patiently for you to
Snap out of itForever isn't for everyone
Is forever for you?
It sounds like settling down or giving up
But it don't sound much like you, girlI wanna grab both your shoulders and shake, baby
Snap out of it
I get the feeling I left it too late, but baby
Snap out of it
If that watch don't continue to swing
Or the fat lady fancies having a sing
I'll be here waiting ever so patiently for you to
Snap out of itUnder a spell you're hypnotized
Darling how could you be so blind?
Under a spell you're hypnotized
Darling how could you be so blind?I wanna grab both your shoulders and shake, baby
Snap out of it
I get the feeling I left it too late, but baby
Snap out of it
If that watch don't continue to swing
Or the fat lady fancies having a sing
I'll be here waiting ever so patiently for you to
Snap
Out
Of
It
