

# How Do I Live (Original Extended Mix)

[Leann Rimes](#)

How do I get through one night without you  
If I had to live without you  
What kinda life would that be  
Oh I need you in my arms, need you to hold  
You are my world, my heart, my soul If you ever leave  
Baby you would take away  
Everything good in my life  
And tell me now How do I live without you?  
I want to know  
How do I breathe without you?  
If you ever go  
How do I ever, ever survive  
How do I, how do I, oh how do I live Without you  
There would be no sun in my sky  
There would be no love in my life  
There'd be no world left for me And I, baby, I don't know what I would do  
I'd be lost if I lost you If you ever leave  
Baby you would take away  
Everything real in my life  
And tell me now How do I live without you  
I want to know  
How do I breathe without you  
If you ever go  
How do I ever, ever survive  
How do I, how do I, oh how do I live Please tell me baby how do I go on If you ever leave  
Baby you would take away everything  
Need you with me  
Baby don't you know that you are  
Everything good in my life And tell me now  
How do I live without you  
I want to know  
How do I breathe without you  
If you ever go  
How do I ever, ever survive  
How do I, how do I, oh how do I live How do I live without you?  
How do I live without you, baby?  
How do I live without you?
