

# Gin and Listerine

## Martha

fragments of a memory  
outlined for posterity  
it is an argument something to do with a missing bag of diet pills and super glue  
he waits, outside the office cause he doesn't have idea  
and as i recall this evening and sparkly salted gin and listerine  
are you still listening to me?

(?)

it was a long time coming but you should let him go  
let me know when you get here  
Angelica was ever so severe  
Still figuring out what it means to be  
adolescents indefinetly  
fresh but not clean  
here but not new  
queer but not gay  
young but not cool

(?)
