In My Life

Ryan Cabrera

Well I'm wanting to know you
I sure want to be in your arms
We'll fly away and I hope soon
That this side of me, is willing to be
all of the things that I that I wanna see now
well I'm asking if you'll let me in
To your world where I've never been
[chorus]Cause in my life, I let it all hang down
I sure want to know you're awake
Cause in my life, I'll never touch the ground
I sure wanna know it's all alright[x2]
Cause it won't be long
Well it's gone any day now,
Well I'm hoping I'm wrong
We'll fly away and I hope you
That you can be strong, cause it won't be long
Till the day that I can't stand up in your arms
Well I'm asking if you'll let me in
To your world again
[chorus][interlude]When you're wondering now if you're on the right track

Never know if you're gonna look back at all
And you'll see me there
And as you're fixing your life and what it can be
Remember now to forget about me
Well hey, alright
Well alright
[ending]Cause in my life, I let it all hang down
I sure wanna know you're awake
Cause in my life, I never touch the ground
I sure wanna know
I sure wanna know
I sure wanna know now, alright
Well I, I'll never know
Cause in my life, I wanna win
Cause in my life, I wanna win now,
hey C'mon
If you want anymore from me now
Well it won't be long

No, it won't be long
It won't be long, now no
And if you want anymore from me
It won't be long
