

# Train to Miami

## Steel Pole Bath Tub

Left Chicago, left the filth. Hopped a boxcar, headed south.

Lust with 13 Siamese twins. Bought for science, kept for skin.

Twenty souls touch themselves. Lord help them! I help my self.

This is my circle of instant friends.(south to Christian lands)These are my friends now, these are my friends now,  
these are my friends now, these are my friends now.THESE ARE MY FRIENDS NOW, THESE ARE MY  
FRIENDS NOW,

THESE ARE MY FRIENDS NOW, THESE ARE MY FRIENDS NOW!I'm on assignment for the FBI, Miami,  
Florida. Child sacrifice.

The swamp is deep and warm and old.

(I'm falling) I think she loves me, I love her too.

Satan brands, and home made tattoos.

You can't believe the things I've seen.(30 churches burning)These are my friends now, these are my friends  
now,

these are my friends now, these are my friends now.THESE ARE MY FRIENDS NOW, THESE ARE MY  
FRIENDS NOW,

THESE ARE MY FRIENDS NOW, THESE ARE MY FRIENDS NOW!We sit, and drink, All day now. We sit,  
and drink, all day now.

(cinder block temple) The sun beats down outside,

and I can't think of a better reason to. Too late now,

too late to tell me what I've become. (we are becoming)These are my friends now, these are my friends now,  
these are my friends now, these are my friends now.THESE ARE MY FRIENDS NOW, THESE ARE MY

FRIENDS NOW,

THESE ARE MY FRIENDS NOW, THESE ARE MY FRIENDS NOW!I'm all alone in a big white house, and,  
I'm all alone

in a big white house, and.(I fade)
