Stranger

Gorky Park

Stranger next to me, have I seen your face
Stranger tell me please, have I seen this place
Oh stranger you're so close, I can hold your hand
I'm a stranger, oh just like you, don't you understand
Oh, ohSilence stopped the time I can hear your heart
Glimmer of your eyes reach me from the dark
I'm dreaming or may be not clothing's falling down
All matters we're giving up
Cause nothing matters now
Oh strangerBetween the walls and face to face. Oh stranger
We won't have another chance. Oh stranger
There won't be another nightFlowers on the floor, all around your hair
Morning at the door, I don't think you care
You whisper in my ear, shiver in my arms
Don't let it stop, don't go away
Screaming in your eyes
Oh strangerBetween the walls and face to face. Oh stranger
We won't have another chance. Oh stranger
There won't be another night, we could've lied
Oh stranger with me tonight
You stranger, with me all night
My stranger, my stranger, we could've liedBetween the walls and face to face. Oh stranger
We won't have another chance. Oh stranger
There won't be another night, we could've lied
Oh stranger with me tonight
You stranger, with me all night
My stranger, my stranger,
