Hey Michel how's life are you ok  
I wonder if you ever think of me  
It's been 9years since that kiss  
I can help but reminisce  
Hey Michel do you remember We walked the street to tha beat  
Hand in hand you and me  
Smiling faces so in love  
Hoping that they all could see  
That we belonged together you and me against the world  
But we found out the hard way cause it wasn't meant to bz Now it's you and her I see You were my first and  
worst love  
And so it only could go wrong But ain't that just the way you learn  
Hey Michel I just wanted to let you know  
That someone else has stolen my heart  
And now another girl has caught your eye  
That doesn't mean I don't think of you  
I am just hoping that she'll treat you right Do you remember  
How we walked the street to the beat  
Hand in hand you and me  
Smiling faces so in love  
Hoping that they all could see  
That we belonhed together you and me against the world  
But we found out the hard way cause it wasn't meant to be Now it is you and her I see It was just a silly  
dream Hey Michel do you remember
