Michel

Anouk

Hey Michel how's life are you ok I wonder if you ever think of me It's been 9years since that kiss I can help but reminisce

Hey Michel do you rememberWe walked the street to tha beat

Hand in hand you and me Smiling faces so in love Hoping that they all could see

That we belonged together you and me against the world

But we found out the hard way cause it wasn't meant to bzNow it's you and her I seeYou were my first and worst love

And so it only could go wrongBut ain't that just the way you learn

Hey Michel I just wanted to let you know

That someone else has stolen my heart

And now another girl has caught your eye

That doesn't mean I don't think of you

I am just hoping that she'll treat you rightDo you remember

How we walked the street to the beat

Hand in hand you and me

Smiling faces so in love

Hoping that they all could see

That we belonhed together you and me against the world

But we found out the hard way cause it wasn't meant to beNow it is you and her I seeIt was just a silly dreamHey Michel do you remember
