Every Dog Has Its Day

Flogging Molly

Well, Ive drunk to drown, on every ocean Ive been

Lake Tanganyika, where the crocodiles swim

Halifax, Nova Scotia to Van Diemens land

Well, I drank with the Sultan, down the Suez Canal'Cause every dog has its day

Like every woman, she gets her own way

And if theres a ship that sails tonight

Ill captain that too, just to be there with youWell, there was old Jerry Rooney, who was mad as a mule

Spillblood Maloney had a head like one too

That night on the bridge, with my shovel in hand

Well, he threatened to kill me, for sure he picked the wrong man'Cause every dog has its day

Like every woman, she gets her own way

And if theres a ship that sails tonight

Ill captain that too, just to be there with youWell, there was mutiny in Lagos

Aboard the mean ship Skondi

Ten or twelve days in prison

Till the bastards set me free, McCluskey youre free'Cause every dog has its day

Like every woman, she gets her own way

And if theres a ship that sails tonight

Ill captain that too, just to be there with youNow I love the sea and she wants me back

So I leave this ol harbor, with the wind at my back

Goodbye Mother Theresa, I hope the kids settle down

I must head for the Chinas, pray to God, I dont drownFor every dog has its day

Like every woman, she gets her own way

And if theres a ship that sails tonight

Ill captain that too'Cause every dog has its day

Like every woman, she gets her own way

And if theres a ship that sails tonight

Ill captain that too Too, down just to be there with you

Just to be there with you

And just to be there with you

Just to be there with you

Just to be there with you
