

Long Distance Call

Muddy Waters

You say you love me darling,
Please, call me on the phone sometime.

You say you love me darling,
Please, call me on the phone sometime.

When I hear your voice,
Ease my worried mind.

One of these days,
I'm gonna show you how nice a man can be.

One of these days,
I'm gonna show you just how nice a man can be.
I'm gonna buy you a brand, new Cadillac,
If you only speak some good words about me.

Hear my phone ringing,
Sound like a long distance call.
Hear my phone keep ringing,
Sound like a long distance call.
When I picked up my receiver,
The party said another mule kicking in your stall.
