Racist Coffee

Julian Smith

His coffee's black
His coffee's white
But we drink it both ways
Cause it's alright

Some only drink it white
Some only drink it black
But we drink it both ways
So that we won't get flack

We don't drink - We don't drink racist coffee
Don't drink that - Don't drink that racist coffee
I'm racist against that racist coffee
Neither one's first - neither one's a sequel
All drinks are created equal

This world's humongous
So many coffee drinks among us
Like Cappuccinos, Macchiatos, my favorite Americanos
Who cares about your whereabouts
East or West, North or South
Just shut your mouth - now open it
You'll enjoy it - we're hoping at least

We don't drink - We don't drink racist coffee
Don't drink that - Don't drink that racist coffee
I'm racist against that racist coffee
Neither one's first - neither one's a sequel
All drinks are created equal

Hey white friend, try this
Hey that is pretty good
Hey black friend try this
Hey that is pretty good

Hey white friend, try this
Hey that is pretty good
Hey black friend try this

Hey that is pretty good

That's pretty good.

We don't drink - We don't drink racist coffee
Don't drink that - Don't drink that racist coffee
I'm racist against that racist coffee
Neither one's first - neither one's a sequel
All drinks are created equal

Neither one's first - neither one's a sequel
All drinks are created equal
