Ugly In The Morning

Faith No More

You did one thing wrong
You woke up.
It looked better before
More-more
And the stomach turns...
Say nothing without wasting a word
I know exactly what you meant
I know how piggy feels
He starves without missing a meal
Look in the mirror...
Don't look at me-
I'm ugly in the morning
When the headache is gone,
The sun is not.
Forgot to turn the alarm
On-on
Doesn't matter how much you think
Or the number of hairs in the sink
I did it to myself again
I know how piggy feels
He starves without missing a meal
It's getting clearer...
Don't look at me-
I'm ugly in the morning
