Wish

Brunnen

[Verse 1]Well, it's the west side killer, bitch, all about my paper,
One hand on my yap, screaming finger fuck a hater.
Two hands on my lap, two bitches ass naked
Three hundred on the drop and I'm still your bitch favorite,
I want her, I get her, don't need her,
Change 'em like seasons, fall off when I leave her.
Yeah, I cash 'em out and I ridin with that Nina,
Dick gang, ether, she no speaking no English. Ariba!
While I'm going crazy,
Yeah, we're in the party and the party's getting faded
Already fucked up, I don't know how I made it.
And Imma need a driver, 'cause I drive intoxicated.
A nigga can't tame me, two ladies entertain me,
Pull my money out, and now the club rainin'
Lemonade ciroc, now my face's changing,
Looking like cable while I'm standin' on the table, and I,
[Hook] x2
Wish a nigga would like a tree in this bitch,
Wish a nigga would like a tree in this bitch,
Wish a nigga would like a tree in this bitch,
We in this bitch, we-we in this bitch.
[Verse 2]Two seater, bitch I ain't in a Beatle
Just put 4's on the ghost, But I don't need em'
Rich game, no shirt, no hole beater
Hotter than the mufuckin devil red Beamer
Wrist gleamer, all about my own demeanor
Said he from the land
But niggas said they never seen ya

Put ice in the ???? for no reason
And she catch my balls, like gold keepers
Trippy more, hella bass, Put the bump in your face
Why you all up in my space, Bitch back back
Keep my house, cars up to date
Got five hoes with me like I'm on a????
Nigga don't hate
My money been straight
King gold chains
On the license plate

As I valet the ride, 2 chains on, no lie, man I,
[Hook] x2
Wish a nigga would like a tree in this bitch
Wish a nigga would like a tree in this bitch
Wish a nigga would like a tree in this bitch
We in this bitch, we-we in this bitch
[Bridge]While I'm going crazy,
Yeah, we're in the party and the party getting faded
Faded, faded, while I'm going crazy,
Yeah, we're in the party and the party getting faded.
Faded, faded, while I'm going crazy,
Yeah, we're in the party and the bitch is getting faded.
Faded, faded, while I'm going crazy,
Yeah, we're in the party and these niggas' going crazy, and I,
[Hook] x2
Wish a nigga would like a tree in this bitch
Wish a nigga would like a tree in this bitch
Wish a nigga would like a tree in this bitch
We in this bitch, we-we in this bitch
