Fire In Your Eyes

Chase & Status

Fire in your eyes again
I see fire in your eyes again, I see fire in your eyes again
Fire in your eyes again
I see fire in your eyes again, I see fire in your eyes againAlways been a warrior
From back when I remember, now we stand together
Always been a warrior
Maybe here whenever, wanting this foreverAlways been a warrior
From back when I remember, now we stand together
Always been a warrior
Maybe here whenever, wanting this foreverAlways been a warrior
Maybe here whenever, wanting this foreverAlways been a warrior
From back when I remember, now we stand together
Always been a warrior
Baby, here whenever, wanting this foreverAlways been a warrior
From back when I remember, now we stand together
Always been a warrior
Baby, here whenever, wanting this foreverFire in your eyes again
I see fire in your eyes again, I see fire in your eyes again
Fire in your eyes again
I see fire in your eyes again, I see fire in your eyes againFly away
Fly awayAlways been a warrior
From back when I remember, now we stand together
Always been a warrior
Maybe, here whenever, wanting this foreverAlways been a warrior
From back when I remember, now we stand together
Always been a warrior
Baby, here whenever, wanting this foreverWanting this foreverAlways been a warrior
Maybe, here or never wanting this forever
