Perfect Song

Shaggy

I feel like I know you based upon my observation
It's been a while you've been rocking my world
Me an' my friends been having private conversations
We've been calling you the basement girl
Though you may not even value my opinion
It's safe to say that you're the topic of my song
And even though you maybe out of my dominion
I just wanna say girl you are the bomb
All I want girl is to have you in my perfect song
All I want girl is to have you in my perfect song
All I want girl is to have you in my perfect song
All I want girl is to have you in my perfect song
You got de style you got the class that I've been after
Just the thought of you was driving me wild
You got the stuff to fill my life with joy and laughter
You got the stuff to make me turn and smile
You're my lyricist my inspiration and girl
I wanna sing you like my favorite song
I may not have the riches of the world to offer
I just wanna say, girl, you are the bomb
All I want girl is to have you in my perfect song
All I want girl is to have you in my perfect song
All I want girl is to have you in my perfect song
All I want girl is to have you in my perfect song
Girl, de way yuh hot yuh know yuh rise me blood pressure
Have me all a write me song them like a love letter
Yuh an only yuh can make mi love life better
Anyhow me have yuh mi protect yuh like me treasure
Jus gi mi a chance girl don't watch nuh face

All night long

I feel like I know you based upon my observation
It's been a while you've been rocking my world
Me an' my friends been having private conversations
We've been calling you the basement girl
Though you may not even value my opinion
It's safe to say that you're the topic of my song
And even though you may be out of my dominion
I just wanna say, 'girl, you are the bomb'
All I want girl is to have you in my perfect song
All I want girl is to have you in my perfect song
All I want girl is to have you in my perfect song, baby
All I want girl is to have you in my perfect song
All night long
In a mi perfect song, in a mi perfect song, girl
All night long
Look in a mi perfect song, in a mi perfect song, girl
All night long
