

Critical Emergency

Group 1 Crew

I turn the TV on
Can't stand what's goin' wrong
So many people lost and they're tryin'
To find their way back home
What's goin' on, 'cause we need solutions
Must wake up 'cause we're so confused
We got kids sellin' drugs, girls needin' love
Always want more 'cause there's never enough
This is a critical emergency
Get up, we got to come together
'Cause our brothers and sisters
Are in desperate need
So get up, shine the light and get up
Don't ever give up
We all have said it but some just don't get it
People keep hurtin' and we choose to forget it
If you really want it, let's do somethin' about it
'Cause you are the future and the future is now
This is a critical emergency
Get up, we got to come together
'Cause our brothers and sisters
Are in desperate need
So get up, shine the light and get up
Oh, can't you see that?
This is a critical emergency
Get up, don't wait, don't hesitate
'Cause our brothers and sisters
Are in desperate need, so get up
Shine the light and get up
Don't ever give up
Father, show us how to love

There's a world that needs Your touch
Lead us to the river of new life, yeah
What are we doin'? What are we doin'?
What are we doin' here?
What are we doin'? What are we doin'?
What are we doin' here? Tell me
What are we doin'? What are we doin'?

What are we doin' here?
What are we doin'? What are we doin'?
What are we doin'?
Everybody, this is a critical emergency
Get up, we got to come together
'Cause our brothers and sisters
Are in desperate need
So get up, shine the light, get up
Oh, can't you see that?
This is a critical emergency
Don't wait, don't you hesitate
Brothers and sisters
Are in desperate need, so get up
Shine the light and get up
Don't you let them give up
Don't you let them give up
Don't wait, don't hesitate
Don't wait, don't you hesitate
Can anybody tell me what's goin' on
What's goin' on, what's goin' on
Can anybody tell me what's goin' on
What's goin' on
Can anybody tell me?
