

Meet Me in the Dark

Pillowtalk

hey where you going
where you been
hoping with you
dont you know dear, that i hear everything
dammmnnits nice to see you up and down around the town
you know they saying you leaving me.
cant becauseyou dont even know the things you do
and cant see the way it makes me feelso meet me in the dark
around the corner from your heart
the one i want to stealthe only thing i need to get by in my life
needs to be you and me
see
everyone keeps talking all about us
like they planning our history
cant becausei dont think they understand the things we been through
eh you know what i mean
so meet me in the dark around the corner from your house
keep it a mysteryhey where you going
where you been
hoping with you
dont you know dear, that i hear everything
dammmnnits nice to see you up and down around the town
you know they saying you leaving me.
cant becauseyou dont even know the things you do
and cant see the way it makes me feel
so meet me in the dark
around the corner from your heart
the one i want to stealthe only thing i need to get by in my life
needs to be you and me
seeeveryone keeps talking all about us
like they planning our history
cant becausei dont think they understand the things we been through
eh you know what i mean
so meet me in the dark around the corner from your house
keep it a mystery
