

# Not Going Nowhere

## Babyface

I heard from your mom that you cried out last night  
For a certain someone to turn on the lights  
You found that someone was not by your side  
And Mom had to wipe away your tears  
You asked her, "Why Dad isn't here?"  
She starts to tell you that Dad's working late  
You say, "What come every day of the week?"  
But she answers you with, "Why? Go back to sleep"  
Your heart tells you something has changed  
Why they've been acting so strange  
Well, I'm here to tell you, you don't have to fear  
'Cause your daddy loves you, I'm not going nowhere  
And I won't give you up, not gonna walk away  
When it comes to you and I nothing's gonna change  
I'm here to tell you, you don't have to be scared  
I'm not going no, I'm not going nowhere  
It's true that I live in a whole different house  
But that doesn't mean that I won't come around  
I'm still best of friends with your mom, have no doubt  
We'll still make time to hang out  
I promise I won't let you down  
Well, I've got a room with your name on the door  
Your favorite things you could ever ask for  
Then best of all if you cry out at night  
I'll be the one by your side  
Someone to help dry your eyes  
Well, I'm here to tell you, you don't have to fear  
'Cause your daddy loves you, I'm not going nowhere  
And I won't give you up, not gonna walk away  
When it comes to you and I nothing's gonna change  
I'm here to tell you, you don't have to be scared  
'Cause I'm not going no, I'm not going nowhere  
I know you feel a little scared, I know you think it's not fair  
You think it's all your fault but it's not, I swear  
If it wasn't for you things could never be so cool  
So I thank you for being the one in my life  
That showed both of us that we did something right  
Well, I'm here to tell you, you don't have to fear  
'Cause your daddy loves you, I'm not going nowhere

And I won't give you up, I'm not gon' walk away  
When it comes to you and I nothing's gonna change  
I'm here to tell you, you don't have to be scared  
Well, I'm here to tell you, you don't have to fear  
'Cause your daddy loves you, I'm not going nowhere  
And I won't give you up, not gon' walk away  
When it comes to you and I nothing's gonna change  
I'm here to tell you, you don't have to be scared  
'Cause I'm not going, no I'm not going nowhere
