

Whoa Is Me

Down with Webster

Whoa is me
I'm so whoa
See me decked out from my head to my toe
Whoa is me
I'm so whoa
Everywhere I go I'm a one man show I feel like a Hollywood star
Hand full of pills, all black car
Rock guitar and 10 shots of whiskey
Got a chain on my neck and a massive hickey
You say you're a big deal, big deal
I've been a big deal ever since big wheels
Shit's real, I feel
Like a supermodel who just skipped a meal
I like to party and spend my dough
And when I go to rehab I'm putting on a show
And it's so spectacular whenever I rap to ya
I'm reenacting my feelings de captina
Moment like an icon, and when the mic's on
I'm a star baby, I'm your icon
I put on the light, I shine I glow
Whoa is me, I'm so whoa Say whoa (whoa)
The more I feel it, whoa (whoa)
The more I need it, whoa (whoa)
You say whoa
Whoa is me
I'm so whoa Say whoa (whoa)
The more I feel it whoa (whoa)
The more I need it whoa (whoa)
You say whoa
Whoa is me
I'm so whoa I'm surrounded by people, I'm cool
Everyone's so see-through, not you
Know you think I don't hustle, I do
Used to get up for the bus now I fly to
Drive by you, I'll buy you
Alright, then I'll bite your style
I try to act like a child
Born yesterday, but born to be wild
I cheated to get what I got

Stepped all over yourself for my spot
I bet you I'm winning, I bet that you're not
I bet you don't see me, I bet you get caught
You just leave the talking to me
I'm dope and I'm hot on my feet
I'm the S to the H, the I to the T
And what you don't know you just gotta believe Whoa
The more I feel it, whoa (whoa)
The more I need it, whoa (whoa)
You say whoa
Whoa is me
I'm so whoa Say whoa (whoa)
The more I feel it, whoa (whoa)
The more I need it, whoa (whoa)
You say whoa
Whoa is me
I'm so whoa It's quiet, right before the storm I'm eying
Everyone I see, I'm silent
So damn fly, I'm a pilot
No, I'm a giant
Hope that you're ready when I set off the riot
See my band, see my clothes
Be my fan, see my show
See my plan is to be so dope
That you like me and me like whoa Say whoa (whoa)
The more I feel it, whoa (whoa)
The more I need it, whoa (whoa)
You say whoa
Whoa is me
I'm so whoa Say whoa (whoa)
The more I feel it, whoa (whoa)
The more I need it, whoa (whoa)
You say whoa
Whoa is me
I'm so whoa
