

# Take It All (Live At The Royal Albert Hall)

[Adele](#)

Didn't I give it all?  
Tried my best  
Gave you everything I had, everything and no less  
Didn't I do it right? Did I let you down?  
Maybe you got too used to having me 'round  
Still how can you walk away  
From all my tears  
It's gonna be an empty road without me right here  
But go on and take it, take it all with you  
Don't look back at this crumbling fool  
Just take it all with my love, take it all with my love Maybe I should leave, to help you see  
Nothing is better than this and this is everything we need  
So is it over? Is this really it, you're giving up so easily  
I thought you loved me more than this But go on, go on, take it, take it all with you  
Don't look back at this crumbling fool  
Just take it all with my love, take it all with my love I will change if I must  
Slow it down and bring it home, I will adjust  
Oh if only, if only you knew  
Everything I do, is for you
