

# Burn-Stormbringer

## Whitesnake

The sky is red, I don't understand,  
Past midnight I still see the land  
People are sayin' the woman is damned,  
She makes you burn with a wave of her hand.  
The city's a blaze, the town's on fire.  
The woman's flames are reaching higher.  
We were fools, we called her liar.  
All I hear is, "Burn!" I didn't believe she was devil's sperm.  
She said, "Curse you all, you'll never learn!  
When I leave there's no return."  
The people laughed till she said, "Burn!"  
Warning came, no one cared.  
Earth was shakin', we stood and stared.  
When it came no one was spared.  
Still I hear, "Burn!" You know we had no time,  
We could not even try.  
You know we had no time. You know we had no time,  
We could not even try.  
You know we had no time. Coming out of nowhere  
Driving like rain  
Stormbringer dance  
On the thunder again  
Dark cloud gathering  
Breaking the day  
No point running  
Because it's coming your way Ride the rainbow  
Crack the sky  
Stormbringer coming  
Time to die  
Got to keep running  
Stormbringer coming The sky is red, I don't understand,  
Past midnight I still see the land.  
People are sayin' the woman is damned,  
She makes you burn with a wave of her hand.  
Warning came, no one cared.  
Earth was shakin, we stood and stared.  
When it came no one was spared. Still I hear, "Burn!"
