Keep Goin' On

Gary Bartz

KEEP GOIN' ON

1st verse:

You were the only one
I gave my all to you
Now that you're leaving what am I gonna do?

You set my spirits high
Now all you wanna do is make me cry
I don't know why I gave my love to you

Bridge:

Time will mend, mend a broken heart
They say
Some how I will find a way to go on
To go on
I'll be strong
Gotta keep going on

2nd verse:

Saxophone solo

Bridge:

Time will mend, mend a broken heart
They say
Some how I will find a way to go on
To go on
I'll be strong
Gotta keep going on

Vamp & ad libs:

Keep going on....gotta keep going on
