

Johnny, Are You Queer

Josie Cotton

Johny what's the deal boy
Is your love for real boy
when the lights are low
You never hold me close Now I saw you today boy
Walking with them gay boys
Now you hurt me so, now I gotta know Johny are you queer?
'Cause when I see you dancing with your friends
I can't help wondering where I standI'm so afraid I'll lose you
If I can't seduce you
Is there something wrong?
Johny come on strong.Why are you so weird, boy?
Johny are you queer boy?
When I make a play
You're pushing me away'Cause when I see you dancing with your friends
I can't help wondering where I standJohny you've forsaken
A love you could be takin'
I want to give it to you,
But you never come throughOh, why are you so weird, boy? Johny are you queer boy? When you asked for a date
I thought that you were straight.
But Johny are you queer?Johny are you queer boy?
Johny are you queer boy?
Johny are you queer boy?Hey Johny.. Johny are you.. you know...
